

ASCO[®] Guardian[™]

Warranty Coverage for 7000 Series Power Transfer Switches

- Two (2) Years Parts & Labor
- Five (5) Years Parts
- Ten (10) Years Main Contacts

ASCO[®] Guardian Warranty Coverage for Power Transfer Switches

ASCO Power Technologies (seller) warrants its products, herein designated and defined "Power Transfer Switches" and/or "Parts", to be free from defects in material and workmanship for a period from one (1) to ten (10) years from date of shipment from its factory in accordance with the coverage schedule below:

Years 1 and 2

Seller warrants all associated **Power Transfer Switches** designated herein to be free from defects in material and workmanship for a period of two (2) years from the date of shipment from its factory. Coverage to include: parts, labor and associated travel/lodging expense, if on-site labor is required.

Years 3 through 5

Seller warrants all associated Power Transfer Switch **Parts** against material defects for a period of five (5) years from the date of shipment from its factory.

Years 6 through 10

Seller warrants all associated Power Transfer Switch **Main Contacts** against material defects for a period of ten (10) years from the date of shipment from its factory.

All warranty claims of defective materials or workmanship over said warranty period will be subject to inspection and verification by Seller's authorized service personnel.

All equipment under warranty within the first two (2) year coverage period will be replaced or put in proper operating condition, free of all charges, and the correction of any defects by repair or replacement by Seller shall constitute fulfillment of all obligations and liability of Seller to the Buyer.

Two-Year Warranty

(Years 1 and 2 as specified above) protection will include parts, labor, travel expenses, and labor to remove and/or repair said equipment as designated under item 1 in the schedule of coverage.

All warranty repair or replacement of said equipment will be performed at seller's option at Seller's service facility location, factory, or customer's installation site by Seller's certified service personnel as deemed most practical by Seller.

Seller is not responsible for damages to or defects in any products) furnished hereunder to the extent such damage or defects is attributable to improper installation, maintenance, use, repair or adjustment, or attempt to operate above its rated capacity or voltage, intentionally or otherwise, or for unauthorized repairs.

Five-Year Warranty

(Years 3 through 5 as specified above), shall include replacement of defective parts for the entire five-year coverage period, and main contact replacement up through the end of ten years (years 6 through 10 as specified above) after shipment. Installation of such replacement parts shall be performed only by Seller's certified service personnel.

The Buyer is responsible for all labor, travel and any incidental expenses beyond the extended two-year warranty period as described above. In no case, will deductibles be applicable to the above said warranty.
